

LIBRARY of NATIONAL BOOKS

This file contains a list of general books and other documents held by the South Western Electricity Historical Society. This is in addition to documents held in files by South West Companies or Utilities. The information includes Subject, Author, Location, Date, Remarks and International Standard Book Number. Version 11 May 2007

They are listed by topic as follows:-

Biography, Booklets (BEA/CEA/CEGB)

Commercial

Electricity & Magnetism

Generation

Electricity Supply Handbooks

Manual of Electricity Undertakings (Garke's)

History

Legislation Acts etc.

General

Joint Consultation

Mechanical

Reports and Statistics

Tables

Transmission & Distribution

Utilization

Journals

Weather and Miscellaneous

Privatisation

Locations are defined as follows:-

WXYZ

W is location e.g. A for Archive Room, B for Second Archive Room or O for Office

X for description of Cabinet e.g. 2nd or Left or Right

Y for shelf number - From Top to Bottom.

Z for position on shelf - From Left to Right.
